

DISEASE BROCHURE

Due date:

You will make a tri-fold brochure about your assigned disease.

On the front you should have the name of the disease, your name, and a picture related to the disease.

Inside front: Cause of the disease and mode of transmission (airborne, blood, animal, etc..)

Middle section: Symptoms

Right side: Treatment or cure and prevention

Back folded over section: Interesting facts about this disease

Middle back section: (Be creative!) Use this section to make the brochure unique to you.
