# General Information

## Focus

The 2012 summer school will offer three types of classes:

- Credit recovery for failures or incomplete grades.
- A limited selection of enrichment classes.
- Freshman Academy for selected students.

## Location

Summer School courses will be held at both Antioch and Lakes High Schools. Students who enroll in the Freshmen Academy and Credit Recovery programs will attend their assigned school. All enrichment courses will be held at Antioch Community High School.

## Registration

To register for summer school classes, submit the course selection and registration forms along with payment to either high school's guidance office. Registration deadlines vary – see individual course offerings for details.

## Tuition and Fees

Make-up and enrichment courses are \$220 (per 1/2 credit), except where noted. Full payment of tuition/fees is required at registration. If a student is eligible to change an incomplete/failure from second semester, the cost is \$50/week, with an initial deposit of \$100.

**All outstanding school fees must be paid in full prior to enrolling in summer school courses.**

## Class Limits/Cancellations

Class registration is on a first-come, first-served basis. Early enrollment is important since time slots and openings are limited. Classes without sufficient enrollment may be cancelled. Community High School District 117 students have first priority for enrollment purposes.

## Refunds

No refunds will be made after June 4, 2012. Refunds will be issued only if the class is cancelled due to extenuating circumstances as determined by the principal.

## Summer School Calendar

Dates, meeting times, and registration deadlines vary, based on the course. See Course Offerings and Calendar for details.

## Meeting Times

Meeting times vary by course – see individual offerings for details.

## Attendance/Tardy Policy

Summer school is a voluntary regular education program, but students are required to attend all classes. **Daily attendance is critical to a student's ability to be successful in summer school.** If a student is ill, the parent/guardian should contact the school secretary at the respective buildings before 7:30 A.M. the day of the absence. At ACHS the number is 847-838-7621. At Lakes the number is 847-838-7106. Repeated tardiness will be cause for dismissal from class without credit or refund.

**NOTE:** Since Summer School hours are limited, daily attendance is extremely important. For The Freshmen Academy a minimum of eighteen attendance days are required to receive credit. As a rule, students will be dropped from **ANY** summer school classes after two absences due to the compacted time and necessary instructional hours. Please plan vacations and camps accordingly. Exceptions should be appealed to the principal.

## Transportation

**BUS TRANSPORTATION IS NOT AVAILABLE** for summer school, with the exception of Freshman Academy. Students can be dropped off and picked up in the designated areas. Students who are licensed drivers may drive to summer school. Cars driven to campus should not be moved or entered until the students leave the campus at the end of their school day. **Students must park in the student parking lots east of the respective buildings. Violators will be ticketed or towed at the expense of the owner.** All vehicles parked on school grounds may be subject to search if the school administration suspects a violation of school rules. Students must register their vehicles with the main office on the first day of school.

## Closed Campus

Both Antioch and Lakes High Schools are closed campus schools. Students must remain in the building until their last classes are completed. Students who leave campus during a session or during break will be considered unexcused and could be dropped from the course with a loss of fees and credit.

## Student Discipline

Rules and regulations of the regular school year are in effect according to District 117 policies. Students removed from class for disruptive or inappropriate behavior may be dropped from the school program with a loss of fees and credit.
